ABOUT THE CONFERENCE

From last year's Conference survey:

90 % of conference goers plan to attend in 2019

Other survey comments:

"Always great to hear about EDI-news and how others contend with various challenges. A great opportunity to meet others in the dental EDI industry."

"Everyone involved in hosting sessions was very knowledgeable and conveyed their message clearly."

This being my first summit (and newly joined), it was a great experience and it was great to meet so many good people. I now need to get in the work to deeply understand NDEDIC topics/issues so that I can help contribute to this great group of people. Also, hospitality was excellent, thank you to everyone for making me feel welcomed.
